K. C. Livermore

Honeoye Falls, N. Y.

Dear Friend:—

March 1st, 1944

Please excuse brevity; we are saving paper. Herewith are present prices of our seeds. Included are quality seeds of the recommended varieties and strains for New York and adjacent areas. Supplies of some seeds are very short. Where satisfactory substitutes are available, they have been provided. If you need further information on any item, let us know which it is and we will supply it if possible.

The war is not over; lasting peace is not yet assured. The need for food will be far greater this year than last, and the possibility of shortage is much more serious. We farmers, again, must produce to the full limits of our strength, our abilities and our resources. We must not fail suffering humanity in this crisis.

Earnestly, K. C. LIVERMORE

SPERGON

A dust for treating seeds and soils to control fungus and bacterial diseases, 2 to 3 oz. per bu. of seed; 2 oz. 45c; 1 lb. \$2.50 postpaid; not prepaid 5 lb. \$9.95; 10 lb. \$18.50.

SULPHUR

For scabby potatoes. The easiest way to control scab on potatoes is to scatter 1 to 2 lb. of sulphur over each bushel of seed as it is dumped in the planter hopper. The action of the machine coats the seed fairly well and the surplus runs into the row. Where ever scab conditions are unusually bad, the soil should be treated rather than the seed. The same treatment also controls scab gnat and milled injury. Apply sulphur only where needed; apply 200 to 800 lb. per acre depending on the severity of the scab or as indicated by soil tests; apply after plowing and mix thoroly at least 4" deep. Use our Free Flow Sulphur. It drills better and is economical. One application lasts years. Prices f. o. b. here. 4½c lb.; \$3.50 per cwt.; \$60.00 per ton. Special prices on ton lots or more delivered from factory.

DRAIN TILE

Tile draining is the farm owner's best investment. Prices at our yard are, per 1000 twelve in. length; 3 in. \$43.00; 4 in. \$52.00; 6 in. \$97.00; branch tile, 3 in. 25c; 4 in. 35c; 6 in. 45c each. Weights of straight tile are approximately 5.5 lb., 7 lb., and 14.5 lb. each for sizes listed. Delivered truck load and car load prices on request.
